School Uniform Policy

Indooroopilly State School's uniform policy is endorsed by the ISS School Council. It requires that all students wear approved school uniform every day. A note from a parent is required when a student is not in correct or complete school uniform explaining why, and when this will be rectified. Indooroopilly State School remains committed to providing a safe and inclusive environment for all students each day. We will consider individual circumstances and work with families to find a suitable alternative uniform item for cultural or medical reasons. Requests should be directed to the school leadership team via the school office. Students attending school dressed with incomplete or incorrect uniforms may receive a notification letter to take home to be signed by a parent and returned to school.

What uniform to wear when?
